Citrus bags are available in two types of material, 1000 denier cordura or 420 denier nylon. The cordura is stronger and longer lasting, but also heavier and more expensive. The nylon bag is lighter and priced lower. The trigger snaps that secure the bag closure are sewn and riveted. This bag has a large semi-ridged opening that provides easy access and will not collapse during use. The 4" wide padded strap provides all-day comfort. Both bags are washable and will resist mildew		
<b>Double strap stone fruit style picking bags</b> <i>adjustable from 10 - 40 lbs.....</i>	<b>\$18.39 EA.</b>	<b>\$16.56 EA. (12)</b>
Bags are made from tough 420 denier nylon, they are washable and resist mildew. Spring steel is used to hold the mouth open. It is designed with two straps and to be worn in front of the body allowing both hands for harvesting and climbing ladder safely. This bag has two ropes serving as the closure, and is adjustable to hold from 10 to 40 lbs of fruit.		
<b>Double strap apple style barrel bags</b> <i>holds 25lbs or about 1/2 bushel of fruit.....</i>	<b>\$37.70 EA.</b>	<b>\$33.93 EA. (4)</b>
This light weight, semi-ridged bag was designed to harvest the most delicate of tree fruit. It is foam padded inside and around the mouth. This bag is worn in front of the body, waist high and holds approx. 1/2 bushel of fruit.
