Let us repair your ladders for you! We offer professional ladder repair at 45.00 per hour labor plus parts. Your ladders will be completely inspected and repaired. We also replace any damaged or worn safety labels. We can upgrade or modify your ladders to meet any specific needs you may have. Come in or call and let us explain in detail why we can repair your ladders safer and more economically than you can do it yourself.

DISCLAIMER: Above listed prices to be that which is in effect on date of shipment and are subject to change without prior notice. All prices assume F.O.B. Strathmore, CA. All rivet guns sold by Strathmore Ladder Company have been inspected and tested to assure proper working order on our brand of ladders. All units are fitted and adjusted with the proper rivet sets for standard orchard ladder repair. We guarantee all rivet guns to be in proper working condition upon delivery to the customer. However, due to the very high maintenance of these tools and lack of a manufacturer guarantee we are unable offer any warranty on the rivet gun, repair work performed to it, or replacement parts bought for it from Strathmore Ladder Company.
